Vision

Barmera Primary School is committed to providing a high quality learning program for all students. We prepare all of our students to be active, creative, critical thinkers in the twenty first century. We encourage risk taking by promoting problem solving, decision making and communication skills and using inclusive and empowering teaching practices. High expectations, engagement and achievement are valued by all. *"Learning unlimited."*

Mission statement

Barmera Primary School's mission is to inspire, nurture and assist all children to value and respect differences and achieve their full potential.

Core Values

The agreed Barmera Primary School values to be respected and followed by all are:

Friendship

Feeling safe

Continuous learning and improvement

Respect

Positive social skills

These five values underpin our teaching and learning at Barmera Primary School.

Code of Practice

All members of the school community will

- Foster respect for and positive relationships with each other
- Ensure the provision of an environment in which students and staff are valued and have a sense of belonging and ownership
- Ensure the provision of success oriented, inclusive ethos in classrooms and in the school yard
- Ensure Grievance Procedures are in place and that students, staff and parents have a clear understanding of the correct processes
- Practise effective communication
- Recognise and promote the development of responsible behaviours
- Encourage risk taking by promoting problem solving, decision making and communication skills and using inclusive and empowering teaching practices

11. Local Community

- General characteristics

Barmera is located in the Riverland, 220 kms from the Adelaide GPO. It has a population of approximately 4500 people. The town provides private and public hospital facilities, as well as dental and aged care. Within the Riverland there are some resident medical specialists as well as visiting specialist.

Past droughts, water allocation and high levels of the river in 2011 have had an adverse affect on the Riverland Community

The Barmera School Community consists mainly of fruitgrowers, people in small business and people associated with the tourist industry. Students with a Greek background form the majority of students from non-English speaking backgrounds.

School rooms are used for a number of meetings run by local organisations and school grounds are used for sporting events. The activity hall is used for a variety of activities including netball, basketball, volleyball, karate and taekwondo.

- Parent/Carer and community involvement

The school supports the Barmera Community through Clean up Australia Day, Salinity monitoring, use of the school's facilities, part of Barmera Action Group etc. The school encourages an "open door" policy towards parents and their involvement within the school. Volunteers take on many roles within the school with reading, fresh fruit program etc.

- Feeder schools

Most enrolling students come from the Barmera Kindergarten (1 km) whilst virtually all students travel by bus to Glossop High School (7 kms) for secondary studies. A senior campus and TAFE operates at Berri.

- Other local care and educational facilities

Glossop High school middle campus is located at Glossop (years 8 to 10). The senior campus (Year 11 and 12) is located at Berri

The OSHC is located at Barmera Primary School and is the only care facility in Barmera
