Principal’s Piece

What a great effort everyone has put in over this term. The many awards we hand out at assemblies are indicative of the effort most students are putting into their learning. The progress of students learning as shown in this term’s reports shows the great effort that our teachers include in their planning for student engagement and expectations of high standards of work right across all year levels – from the little receptions who are developing their reading expertise, the Year 2, 3 and 4 students who are producing some great Nonfiction writing after researching topics and our Years 5/6 and 7 who have been studying texts in depth, working on enterprise assignments and much more!

Of course, most importantly, I acknowledge the effort you families put into your children’s learning – getting them to school regularly in school uniform, taking an interest in their learning at home, hearing them read, feeding them well and much more, which contributes to their wellbeing and positive attitude to school.

Thanks to the leadership team for their effort in administration of the school and the work put into working with children who need some different or extra support in many different ways – including working with Support staff and specialists outside the school.

Great effort also from our dedicated support staff whose efforts go into administration, finance management, student support & grounds maintenance. Thanks also to the OSHC director, Kirsten and canteen manager Renate.

Farewells

We thank Emma for her four years of dedicated teaching here at Barmera Primary School. She has made a big difference to many of our students. We wish Emma all the best with the impending birth of her first child in a few weeks. All the best Emma!

Thanks also to Nikki Kazantsis, who has been the year 6/7 teacher in place of Denise Melnyk this term. Nikki has put in a great effort to continue the standard of work with that class – well done and thanks. Denise returns from leave next term.

This term we say farewell to Kirby Kingham, who has been working with us for over four years. Her hard work, dedication to all of our students, families and staff has been outstanding and we will really miss her bright cheery face within our school community. We say a very big thank you to Kirby and wish her well as she finishes her teaching studies and moves on to her teaching career.

I would also like to thank our wonderful hard working ancillary staff who give so much to our school to continue to support students, families and teaching staff. Their support, knowledge and dedication to all aspects of our school is imperative to the continued success of our school and students outcomes. We are so lucky to have such a wonderful team.

I AM LOST

We have a huge amount of jumpers on the lost property table, situated near the canteen.

All of the lost property will be on display on Sports Day. If your child has lost any clothing this year, can you please check to see if any of these items belong to your child.

At the end of term, they will be washed and put in the 2nd hand box for sale.

JDRF

Today we held a “Sports Colour Day”.

Children and Staff were asked to Dress Up in their favourite team sports colours.

All participants donated a gold coin.

We raised $175 which we will be donating to the Juvenile Diabetes Research Foundation.

Thank you - SRC Co-ordinators

At Barmera Primary School we have some wonderful volunteers who come into our school and Mentor some of our students. Terry and Lorraine Marter have been doing some wonderful...
This year, the Aboriginal 6/7 students went to the 2016 NAIDOC (National Aboriginal and Islander Day Observance Committee) week march. Last week we made a banner for the NAIDOC week walk, it had a brown background with a blue river through the middle and Aboriginal signs on it. Everyone thought the NAIDOC week march was so deadly because of all the fun and craziness. We would all like to say thank-you to Mrs Foulds and Marie for taking us to Berri.
